	REFERENCE INSTALLATION	© by Straub

Seite 1 / 2

Objekt	River Cruise Vessel MS „Poetry“
Projekt	
Ort	D - Rendsburg
Ausführung	
Bauherr	Münchner Reederei Premicon AG
Planer	HDW-Nobiskrug
Ausführender	HDW-Nobiskrug

Type of line	Bilge system, fire fighting, freshwater and discharge lines	
Product	STRAUB-GRIP-L	
Diameter Ø		
Sealing sleeve	☐ EPDM	☒ NBR
Casing	☐ stainless steel	☒ galvanized
Lock parts		
Working pressure	16 bar	
Test pressure	64 bar	
Remarks	according to DIN 86'128 (IACS U.R.P. 2)	

Requirements:	Weight and space saving due to low ship structure
Solution:	STRABU-GRIP-L
Customer benefit:	Designed to meet the newest SOLAS regulations STRAUB couplings fulfill above mentioned requirements

Bulkhead application for Copper Nickel and galvanized systems

Minor requirements for structure leadthrough

Space saving pipe lay out
